- In exceptional circumstances, an individual player, or two of the three players in a group, may be timed

When Timing Commences:

Other than on the putting green, the timing of a player's stroke will begin when it is their turn to play and they can play without interference or distraction. Reasonable time spent by the first player to play in determining their yardage will not count as time taken for the next stroke.

On the putting green, the timing of a player's stroke will begin after a player has been allowed a reasonable amount of time to mark, lift, clean and replace their ball, repair damage to the green, and remove loose impediments on their line. Time spent looking at the line from beyond the hole and/or behind the ball will count as part of the time taken for the next stroke.
